JULY 2025

The Light House
Recovery Center

Director's Desk

VIKKI LUNA

This is the message we have heard from him and declare to you: God is light; in him there is no darkness at all. If we claim to have fellowship with him and yet walk in the darkness, we lie and do not live out the truth.

But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin.

1 JOHN 1:5-7 NIV

Alumni BBQ

We LOVE our monthly alumni meetups! They've become such a special way to keep our amazing ladies connected, encouraged, and thriving together! Every month brings a new opportunity to gather, whether it's something simple like sipping coffee and strolling through beautiful Woodward Park or heading out for a weekend adventure along the coast.

And what makes these gatherings even more meaningful is that they're completely planned and hosted by our incredible alumni committee! These women pour their hearts into organizing every detail because they understand the importance of staying connected. And wow, do they do an amazing job! Just last month, they hosted a fun-filled BBQ at Oso De Oro Park. Kids were invited too, making it a perfect family day! There was delicious food, plenty of laughter, games, and everyone shared updates on their lives.

We're already looking forward to this month's gathering! Our CEO is hosting a swim party and BBQ—we can't wait!

Meet Sharon

Sharon came to our program in 2021 and graduated, and we've been blessed by her ever since. She continues to walk alongside us, and it is such a joy to have her in our lives. We recently celebrated a very special milestone—her 75th birthday!

Sharon now lives in our sober living and lovingly calls us her 'forever family.' Honestly, we feel like the lucky ones. Her smile lights up every room. She's always making goodies for the girls, helping with night shifts, and filling our home with kindness. Outside of our program, Sharon stays active by volunteering in the community, staying connected with her local church, and cherishing her alumni sisters. She is truly an overcomer, full of life, and continues to shine with the light she has found.

Her journey with the Lord began when she came to us, and we are so grateful to have been even a small part of her rescue story.

Upcoming Events

We have some exciting events coming up, and we'd love for you to be part of them. Your support means so much. Every month, generous people give their time, resources, and heart to help move The Light House forward. We are always grateful for those God brings alongside us.
