SEPTEMBER 2025

VIKKI LUNA

So you see, faith by itself isn't enough. Unless it produces good deeds, it is dead and useless.

JAMES 2:17 (NLT)

James reminds us that faith isn't just something we hold quietly in our hearts. It's meant to overflow into the way we live. Genuine faith produces fruit: kindness to a neighbor, generosity to those in need, and courage to stand firm in love. Our actions don't replace faith, but they prove it's alive and well within us.

Ask yourself today: *How can my faith show up in action?* It may be through a word of encouragement, a helping hand, or a moment of prayer for someone else. When we live out our faith, we reflect Christ to the world around us.

2 Fundraisers. 1 Mission.

September has been a month overflowing with generosity! We just wrapped up two of our annual fundraisers back-to-back. The 100 Women's Club Fashion Show was filled with joy as guests enjoyed a preview of this fall's latest looks from local retailers. The highlight of the evening came as one of our graduates shared her powerful story. There wasn't a dry eye in the room as she testified to the life-changing impact Light House has had on her journey.

Just two days later, we teed off our annual golf tournament—a favorite tradition our sponsors look forward to each year. More than 80 players joined us for a sun-filled day on the green, complete with a hole-in-one champion and two winners in the putting contest.

We're especially grateful to Northpointe Church, event chairpeople Norm Weins and Krista Breavers, and every attendee, sponsor, and supporter who made it possible. Thanks to you, every dollar raised helps transform lives through the work of Light House.

Get involved at the LadyBUG Boutique

Lend a hand at the LadyBUG Boutique and be part of something life-changing! Our boutique isn't just about clothes; it's about changing lives. We walk alongside women in recovery, empowering them to find hope, help, and healing. Every purchase and every hour volunteered directly supports our mission.

We're looking for volunteers who want to: sort and style clothing • create beautiful displays • greet shoppers with kindness • be part of a ministry that empowers women

Email us at info@lighthousefresno.org to sign up and learn how you can get involved.
