NOVEMBER 2025

The Light House
Recovery Center

Director's Desk

VIKKI LUNA

As the year draws to a close and we look forward to what's ahead, we want to take a moment to say thank you to our faithful financial partners. Your generosity and commitment make everything we do possible. Because of you, lives are being transformed every day.

If you haven't yet joined us as a partner, we invite you to prayerfully consider how you can help bring hope to the hurting. Whether through a one-time annual gift or ongoing monthly support, your contribution makes a real difference in someone's story—a daughter, a sister, a mother.

Blessings to you, and thank you for being part of the change.

Bold. Unswerving. Godly.

At The Light House, we believe with all our hearts that Jesus is the ultimate Healer. He holds the answers to every question and the solution to every problem. As Scripture reminds us, "He knows what lies in darkness, and light dwells with Him." (Daniel 2:22 ASV)

With this conviction, we equip our ladies each year to host a one-day recovery conference, extending hospitality to women from programs across our city. It's an inspiring day filled with workshops, keynote speakers, delicious meals, and most importantly, love.

Guests shared how welcomed they felt, describing the experience as one that made them feel "loved, seen, and valued." We're deeply grateful to every program that allowed their participants to join us for such a special day.

This year's theme, Invincible, encouraged every woman to be Bold, Unswerving, and Godly. A heartfelt thank-you to our generous sponsors—Sal's, Hummus Republic, Cornerstone Church, Burchfield Law, Central Valley Church, and B & G, friends of The Light House, who helped make this day possible.

Staff Retreat

Each year, we take time for a short getaway, whether it's just for an afternoon or an overnight trip. This year, we gathered at a peaceful spot in Woodward Park to share a meal and connect with staff from all our sites.

It was a joy to see everyone laugh, play, and reflect on how this ministry has shaped their lives while they serve the women in our care. One of our newest team members, who first came through our training program, shared how The Light House helped her return to the Lord and how her renewed faith is transforming her parenting, her most cherished role.

Moments like these remind us that God uses The Light House to touch not only the lives of the women who come for help, but also the hearts of those who serve alongside them.

Tacos, Tours, and Times Worth Sharing

Tacos & Tours wrapped up the year with a bang! Our final gathering brought together nearly 40 attendees from the Southwest police district and local churches. Guests shared how informative the tour was, how impressed they were by the beautiful living quarters and services—and of course, how delicious the tacos were!

If you haven't had a chance to join us yet, we'll be kicking things off again at the start of the new year.

Donate Today

As you plan your year-end giving, consider supporting The Light House and helping us keep the 'Light' shining in dark places.
