GROUNDBREAKING

BY VIKKI LUNA- FOUNDER

It's finally here! After too many delays to count, I decided to just smile, do what I could and trust that the Lord's timing is always perfect. This last year has not been the easiest but God has been present every single day. As the enemy tried to discourage and wear us out, His Grace has been sufficient, and His people have been supportive. We have been able to continue services without interruption, see God's hand moving in the lives of the women and staff. Our temporary facilities have been comfortable and adequate. Bottom line, God has still been working, God has still been moving, and God has still been glorified. He's always up to something! We have set the date for our groundbreaking and hope that you will join us as we turn the dirt on a new facility. **BIGGER, BETTER, STONGER!** Now, he is doing a new thing, can you see it? (Isaiah 43:19) Join us as we turn the dirt, have coffee and launch the rebuild. We want you to be a witness of His promise that 'all things work together for good to those who love God and are called according to his purpose'. Come break ground with us!

TESTIMONY

Meet Katie. Katie was placed at our coffee shop for work experience. A young mother of three. We quickly discovered that Katie was homeless, struggling with addiction and other challenges. She hadn't seen her children for several months and was in an unhealthy relationship. Katie was a very hard worker. We began planting little seeds in Katie's garden, lovingly suggesting she leave her old life behind and press into ALL God has for her. After just three short weeks, Katie took our offer. She is now working on her GED, basic self care, practicing sobriety and was thrilled to be able to see and provide her babies with hugs and Christmas gifts. Katie is changing. Katie is smiling. Katie has a bright future. She is seeking the Lord and living a new life. Thank you!

Giving is Easy

We've made giving even easier, right from your mobile phone! Just scan our QR code with your cellphone camera.

We NEED your EMAIL and PHONE number in order to keep you updated and informed. Please call the office or complete the return envelope as soon as possible!

UPCOMING EVENTS

Another event? Yes! Why? I'm glad you asked! You see, in order to maintain our commitment to the Truth and not waiver in our teaching, we cannot accept medi-cal or other forms of insurance. To do so would require us to make Christ an 'optional' part of our teaching. I believe He is THE (only) Way and won't be enticed to leave Him out and bow for a dollar. The government is not our source, He is. He works through you and I, so let's have fun while we're working! Lady friends- this one's just for YOU. Grab your table before January 23. This event is a favorite! Soup, testimony, auction, encouragement and lots of friendships formed. We'll even have cake 😊

Soup for the Soul

Saturday February 4, 2023
11:30 TO 1:30

Cornerstone Conference Center
1545 Fulton St Fresno, CA

We have lots to celebrate. Transformation in the lives of the ladies we serve is and has always been the goal. We hope you will join us in the celebration. You'll hear where they came from, how God interrupted them and see what they're up to now. We'll congratulate them physically with a crowning ceremony and pledge to support them as they continue to allow the Lord to take them from glory to glory. This is a wonderful event and several alumni with countless years of sobriety always show up. Come see the return on the investment you've been making and see that the return is GREAT! God smiles on all of us.

RADIO

Have you heard? Listen in. We're on weekly radio now where alumni are sharing testimony, volunteers are sharing their experiences and I'm sharing program structure and how we offer hope, help and healing. Your generosity is helping expand our reach. Find us on Christian talk radio KRDU 1130 AM every Saturday morning at 7:30 a.m., Saturdays at 5:30 p.m. and again on Sundays at 4:30 p.m. Our two newest board members, Jody Jo and Pastor Keith produce, edit and make it happen. Pray with us that our message would land on ears of people and family that need help and/or looking for great soil to plant their seed.
