BY VIKKI LUNA- FOUNDER

Many of you have heard my story. I have experienced life with and without Christ. I have found He is the answer. I know Him to be Healer, Deliverer, Peace Giver and Promise Keeper. He is Abba, a guiding light, leading us out of dark places into abundant living. Now, I share the message! Although a joy when they 'taste and see' how good He is, staying true to a Christ centered mission and non-profit is definitely not for the faint of heart, especially after your building burns down! Not negotiating guidelines, structure and foundational principles when funds get tight has proven difficult to many. However, it has never been a wavering point for me. You see, when you are CONVINCED that He is the way to true freedom and healing, you just can't point people in any other direction!

Join us in May to meet some of the ladies, dine with fellow partners and continue making a difference. We are almost at the finish line in raising the funds to come back BIGGER, BETTER and STRONGER! Reserve your table, or sponsorship level today. The Kingdom is counting on YOU, and so are we!

GRADUATION

Each year we crown the women who stay the course. The room was filled again this year with loved ones, friends and others who have been standing by to cheer on those who have gone through the program. This is no walk in the park. It's not easy to earn a certificate of completion. But this year, with the fire, shelter and so many other challenges, we were still able to crown five of the ladies. Senator Shannon Grove's office also made a special presentation which the girls were thrilled about. The crowns are significant because not only will they wear the crown He gives them in heaven, they are now daughters of the King here on earth! Thank you to those who not only invest in the work and changes made in their lives but also for those who show up on their special day to congratulate their great success.

WHAT'S NEW

Meet Wade Vincent King. Born March 1st to one of our little LadyBUGs! We're so 'lucky' to have been able to meet and do life with Whitney. A tiny little thing, sweet as can be and afraid of literally everything, Whitney struggled with fear and often turned to alcohol for relief. Coming to The Light House helped her develop a relationship with Jesus and pursue a few of her life goals. She's been graduated for nearly 5 years now and since then has made major accomplishments in so many ways. She's now happily married, is a homeowner, and has her esthetician license! These are all wonderful successes, however now with baby Wade here, being a mother is not only the highest privilege, it is also the biggest responsibility she'll ever have. We're so thankful the Lord allowed us (and you) to help her turn her life around. She can now be the healthy mother Wade will need. **Deuteronomy 4:10**

We're moving! Although the Tower district gave us a great start, it really wasn't an ideal neighborhood for supporting our recovery efforts or for a 'boutique' type business. We definitely are (and will remain) thrifty by pricing but our name of 'Light House Thrift' wasn't a true reflection of our product or presentation so we quickly learned that both needed to change! Hence, the new NAME and LOCATION! Find us NOW on the northeast corner of Palm and Bullard inside eclecticHouse. Our hours are Monday-Saturday 11-6. We look forward to your continued support in our employment training efforts by shopping, donating and helping us to spread the word. Together, we are moving women from 'welfare to work!' **Jeremiah 29:7**

TESTIMONY

Susan! You all have met Susan before but maybe you have forgotten her story. How God has turned her life from addiction, anxiety and hopelessness to serenity, sobriety and significance. Where she continues to thrive and now uses her story to help so many others. Well, you'll be able to hear it again, or perhaps for the very first time. Listen in to 1130 on your AM dial. You'll find us there Saturday and Sunday mornings on KRDU at 7:30 am and again Saturday evenings at 5:30 and 4:00pm on Sundays. We're trying to let the whole world know of His goodness. Your support has put us on the radio and we're hoping to also soon be on Bott Radio network for a much broader reach. All four corners of the earth is where He's told us to go! **Acts 1:8**
