GREAT REBUILD

BY VIKKI LUNA- FOUNDER

Little by little, it's coming along. Rain put a halt to our progress for a few weeks, but we are back in action. Plumbing and electrical have been complete and now we're getting ready to pour. Foundation! Ours is different from most and I'm proud of that. I love the scripture in Matthew that talks about the wise man who built his house on the 'Rock' (Christ Jesus). When the rain, flood and winds came it wasn't destroyed. In our case, the enemy thought the fire would destroy us but, actually it was just a blessing in disguise! **Bigger, Better, Stronger** is what the Lord had in mind! Thank you for your continued prayers, encouragement, and financial assistance. This is a miracle in the making. From the roofer to the firemen. The contractor, subs, individuals, churches, businesses, and everyone in between; God handpicked each of us to be a part of His plan in making things new. I have never doubted His faithfulness. It doesn't always look like its going to end well, but that's when we have to be still and KNOW that He is God. Whatever your situation is today, hold on to His promise, and remember, He makes all things NEW!

TESTIMONY

Scripture says we overcome by the blood of the Lamb and the word of our testimony and Elizabeth is not shy about shouting from the rooftops of all God's done in her life! Issues of abandonment left holes in her heart that resulted in a life of methamphetamine addiction, prostitution and ultimately continuing the cycle and abandoning her own children. But God!! Elizabeth came to us in 2021. No teeth, no job, no hope. Today she is letting the Lord restore everything she'd lost. She is now employed, reunified with her children, plugged in to her local church and even helps transport our current ladies to celebrate recovery meetings. This is a life YOU helped change. This is what recovery looks like. This is someone's Momma. Three someone's to be exact. <3

We NEED your EMAIL and PHONE number in order to keep you updated and informed. Please call the office or complete the return envelope as soon as possible!

UPCOMING EVENTS

I just can't wait! Each year at our annual banquet, we not only host the event to raise funds for the cause, but we are intentional to bring you the stories of lives impacted. We highlight the work being accomplished. It's not a night for politics or just asking people to open their wallets, it's a celebratory night. One to rejoice in changed lives. Hope restored. Hearts healed. People reconciled to Christ and now giving back to their community. It's a night when we look back at what the Lord has done through all of us in the previous year and a time to look forward towards what He will do in the future. A night of tasty food, entertainment, great goods for auction, sweet treats, and dynamic speakers. This year, I'm excited to have California Senator Shannon Grove. A strong Christian woman with a voice. She will bring a wonderful, encouraging message and a spectacular, secret surprise announcement that you won't want to miss! This event is mainly sold by table and sponsorships, and we'd love to have your business and/or church join us for this special night. Can't attend? Send your business in your place. Want to help in other ways? Call our office to find out how you can help contribute to making the evening a success. Don't wait until the last minute to reserve your spot, this event always sales out way in advance.

GROWING GOD'S KINGDOM

Thank you to our many partners who make a community and Kingdom impact with their finances. If you're not amongst the group, have you considered becoming a monthly supporter? Listing the ministry of Light House in your trust? Considered crop giving? There are so many ways to share. It's especially nice when you can make a gift and grow the Kingdom instead of the IRS! It's simple and there are so many ways; scan our QR code, complete the enclosed giving envelope, click the donate button on our website or even call our CPA for options. We also have a wonderful donor advised foundation working on our behalf. Call our office for more details.
