

Christmas at the Miracle Mansion

We hope you will join us this year for our Christmas Open House. You'll be welcomed by Christmas carolers, warmed by hot apple cider, cheered by piano music, and inspired by the transformed lives you'll encounter! As you take a self-guided tour, you'll be delighted by the festive lights and decorations. You'll learn how each room—whether in the home, education center, or sober living facility—is utilized daily. So, mark your calendars and plan to attend an unforgettable event that we're excited to share with you.

2024 Reflection & 2025 Goals

We are small, but we are mighty! I'm bursting with pride over the accomplishments we've witnessed this year. As we close out the year, we reflect on all the women who have passed through our doors and how the Lord has worked through each of you to help transform their lives. Tricia and baby Andrew now have a new car. Ruby has moved into her own apartment in our transitional housing complex. Jenna and Amy transitioned from welfare to employment at our coffee shop, and Miranda is gaining valuable work experience at our boutique. These stories are just a glimpse of the success unfolding in the lives of the women and children we serve. Thank you for making this possible.

We invite you to make a meaningful impact with an end-of-year gift. Please consider a generous one-time donation or elevate your support by committing to a regular donation pledge. There's much more to be done in 2025, and we need you to help us start the year strong. Your contribution will impact women's lives across our community, giving them a chance at a better, brighter future. Someone's mother, sister, and daughter still need our help!

VIKKI LUNA

It's December—the final stretch of 2024. Feeling hopeful or a bit disheartened? Did this year fulfill all your hopes, or does it seem like time is slipping away and God hasn't shown up yet? I want to offer a bit of encouragement: God's timing is not our own. He's not late. He has indeed heard you. And because we know He listens, we can trust that He also responds. He remains faithful. Hebrews 10:23 and countless other scriptures affirm this. He faithfully fulfills ALL His promises and shows goodness to all He has created—that includes you and me! Like you, I've had prayers that seemed unanswered. In reality, He was simply not answering in the way I expected. After periods of prayer and fasting, sometimes lasting years, when things didn't unfold as I anticipated, I learned to trust that His plan would ultimately be far superior to mine. So keep your spirits up—the answer is still on its way!

Thank you for being the undercurrent that keeps our 'Light' shining in the dark places.
