## Director's Desk

VIKKI LUNA

Today, as I watch the rain start to fall after several days of sunshine, I find myself reflecting on how unpredictable life can be. It makes me think of the women we serve, who often carry deep anxieties. Their hearts and minds might be weathering storms even on the sunniest days. Trusting God isn't something that comes naturally to any of us at first, is it? We've all been guilty of relying too much on our own understanding, sometimes getting pushed around by the winds of circumstance. And for these women, who've faced so much betrayal by those they should be able to trust the most, has anyone ever shared with them the simple yet profound truth of Jesus? It's all about love. Genuine, unwavering love. Love that protects, perseveres, and never fails. Who is God prompting you to show love to today?

## 2025 Graduation Ceremony

Join us to celebrate the outstanding achievements of those who have completed the program and made it to the finish line. It's a beautiful ceremony that honors each woman's determination to let Christ heal her from the inside out. Come and show your love and radical support for them.

# Sweet Success

Meet Ambryana. Once homeless and struggling with addiction and mental health issues, her probation officer recognized her potential and reached out to us for help. Through steady support, we helped her stabilize and start her recovery journey, introducing her to new possibilities. Today, Ambryana is sober, working towards her GED, and achieving her goals. She was even named 'Barista of the Month' for her outstanding customer service and memory for recipes. She's on track to complete our program in ninety days, and we're excited to see what the future holds for her!
