Jesus praised His church for the depth and integrity of their faith. As His followers started their journey with Him, their faith grew stronger. Jesus saw their faithfulness, obedience, and good deeds flourish as He taught, saved, and healed.

Several key traits make His church stand out: their commitment to love and faith, their heartfelt service to God in their community, and their unwavering perseverance in the face of challenges.

Our community's churches and believers can take a leaf out of the early church's book and live more deeply by faith. We are encouraged to discover new ways to grow closer to God and continue our important work as we strive to fulfill His Great Commission.

At The LightHouse, we're dedicated to living out these values and passing them on to the women we serve. Jesus said we could recognize His followers by their fruits, and it's clear from the growth and positivity we see in the women who come to us. Their increasing faith, obedience, and spiritual fruits motivate us to keep nurturing their souls and planting seeds that will bloom beautifully in time.

Daycare Updates

Our next venture is "Growing Kids God's Way." We're in the process of setting up Little Lights Day Care, and we need your help. This isn't just about childcare—it's about creating a warm, Christ-centered space where children can thrive and learn, all while their moms make strides in their spiritual journeys and work towards healthier, self-sustained lives. Your contribution could truly transform their futures. Please consider joining us in this heartfelt mission to nurture these families. Every donation brings us closer to bringing this vision to life.

Living Out Hebrews 10:25

Our alumni meet monthly, sharing laughter, support, and accountability. This cherished tradition features a planning committee and rotating hosts. Each meeting, they discuss their achievements, challenges, and gratitude for God's work in their lives. With over 60 years of safe, sober living among them, these gatherings truly enrich their lives.

Pantry Needs

Help us restock our essential supplies! Every donation, even simple things like kitchen or bathroom items, makes a big difference. Your help allows us to continue providing high-quality care. If you can contribute, we'd really appreciate it—every bit helps!
