Annual Banquet

As we step into April, we're reminded that growth doesn't happen by chance. It is nurtured, supported, and made possible through community. This month, we're preparing for our Annual Banquet—a meaningful gathering where stories of transformation are shared, hope is renewed, and lives continue to be changed.

We are especially excited to celebrate a major milestone: our dream of a childcare center is becoming a reality. Join us as Police Chief Casto shares the importance of strengthening families through parenting support while caring for the next generation. We have a powerful and inspiring program planned just for you. This is a moment to come together—to invest in healing, restoration, and second chances.

Can't attend? You can still make a lasting impact through sponsorship:

- Support women as they rebuild their lives
- Be part of a mission creating real, lasting change
- Help expand programs that foster sobriety, stability, self-reliance, and generational impact

Your support truly makes healing happen.

Dogs Dig 'Em

We prayed, God answered, and He provided in a big way. Thanks to our incredible partners, we now have access to our very own kitchen space!

Our women are gaining hands-on experience in production, baking, and packaging as part of their employment training, while our team celebrates every local delivery and each online order shipped across the country. From Arizona to Florida and beyond, people are supporting the mission (and their furry friends love it too).

You can find Dogs Dig 'Em products locally at Whitie's Pets, Save Mart, The Meat Market, and other retailers—or shop online through our website.

Livin' in the Light

How exciting is this? Tune in to KRDU 1130 AM to hear powerful, real-life stories of transformation—stories made possible by your support.

Featured this month are alumnae Delores and Deborah, who are faithfully maintaining sobriety and stepping into a new chapter. Both are preparing to move into their own apartments at our Bridge transitional living complex and will be participating in our homeownership cohort.

Be a part of what God is doing

We are always looking for compassionate volunteers and mentors to join our community. Your time, prayers and encouragement can make a lasting difference in someone's life.
