Exciting News from Little Lights Childcare Center!

The wait is almost over! Renovations are nearly complete and we are thrilled to invite you to Little Lights Childcare Center Ribbon Cutting Ceremony and Open House on Thursday, August 27th at 10:00 AM.

Come celebrate with us as we unveil more than just a childcare center—we're launching a new opportunity that helps women in recovery participate in treatment and rebuild their lives without separating their children. Our goal is to provide a safe, loving, Christ-centered environment where children thrive while parents grow stronger together.

With God at the center of everything we do, Little Lights Childcare Center is dedicated to nurturing children, strengthening families and helping parents develop healthy, lasting habits rooted in faith.

We would be honored to have you join us as we celebrate this exciting new expansion and the hope it brings to our community. We can't wait to welcome you!

A Testimony of Hope: Jesiree's Story

Jesiree came to us at just 24 years old. She was enrolled in another partnering community program but was needing employment training. Upon joining our Employment Training Program, she wasn't sure she wanted it. Like so many who are overcoming life's challenges, taking that first step of self resilient required faith she didn't yet have. She reluctantly agreed to participate, not realizing how God was about to begin a new work in a new area of her life.

In just a few short weeks, we started to see a beautiful transformation unfold. As Jesiree embraced the training, she also began to see the value God had already placed within her.

She started dressing for the future she was believing for, taking pride in her appearance and caring for herself in ways she hadn't before. What began as employment training became a journey of confidence, renewed purpose and growing hope.

Today, Jesiree is preparing for meaningful employment and possessing the future God has for her. Her story reminds us that God doesn't just open doors—He transforms hearts. When we surrender our fears and trust Him, He shapes us into who He created us to be.
