The Light House Recovery Center

OCTOBER 2026

Director's Desk

VIKKI LUNA

"Whoever is generous to the poor lends to the Lord, and he will repay him for his deed."

Proverbs 19:17

Thankful for Your Support

We would like to extend our heartfelt thanks to all of our wonderful supporters, players, and volunteers who helped us make this year's annual golf tournament such a special event. We were thrilled to see everyone come together and contribute to a day filled with fun, friendship, and fellowship.

The tournament kicked off without a hitch and we hope everyone had a fantastic time out on the green. The Light House Golf Tournament was about more than a day on the course - it was an opportunity to come together in support of a cause that brings hope, help, and healing to women and children. To our supporters, thank you for your continued encouragement and generosity. To our players, thank you for joining us and bringing your enthusiasm to the tournament. Finally to our volunteers, thank you for giving your time and helping to make sure everything ran smoothly.

We are deeply grateful to everyone who joined us, gave generously, and helped make this year's tournament a success. Thank you for standing with The Light House and for being part of a community committed to making a lasting difference in the lives of women and children.

Doggie Fashion Show

Enter your furry friend or just join us for a fun-filled Doggie Fashion Show on October 31 at 11:30 AM at the Clovis Senior Activity Center! Get ready for a day with friends and, of course, their adorable four-legged companions.

This special event also supports the Fresno State Business students, who are helping to bring the Doggie Fashion Show to life. Be sure to check out Dogs Dig'Em, delicious dog treats made by the women in The Light House program. Your purchase helps support their work-experience training while providing an opportunity to celebrate the skills, confidence, and independence they are building.

Dogs Dig 'Em

Wheels on the Van Go Round and Round

With our recent growth of Little Lights, our new home and Childcare Center, we are excited to see more women with children being served through our programs. With that growth comes new needs, including a more reliable vehicle to safely transport the children in our care.

We are currently looking for a Ford Transit 15-passenger Wagon to help us meet this growing need. The estimated cost of the van, including tax and licensing, is approximately $68,000. This van will meet the need for our ability to provide safe and dependable transportation for the children of Little Lights. We are grateful for any support that can help us reach this goal.

In addition to the van, Little Lights has ongoing everyday needs. Items such as toilet paper from Costco, laundry pods, dish soap, cleaning supplies, and other household necessities to help us provide a comfortable and supportive environment for the children and women we serve. Whether you are able to contribute toward the van or donate everyday essentials, every gift makes a difference. We are incredibly grateful for the generosity and continued support of our community.

From Support to Success

We would like to introduce you to Makaila, one of the individuals who has been working toward a brighter and more independent future with the support of The Light House. During her time in the program, Makaila is receiving guidance, encouragement, and the resources needed to take important steps forward in her life.

Her journey has been one of growth, perseverance, and new opportunities. With the training she is receiving at the coffee shop, Makaila has reached an exciting milestone - she now has a job!

Having a job is more than simply having a place to work. It provides a sense of purpose, independence, confidence, and hope. For Makaila, this achievement will allow her to practice keeping a financial budget, a skill she was taught in our education phase. We are so proud of the progress Makaila has made and grateful to be a part of her journey. Her story is a beautiful reminder that when someone is given support, accountability, and an opportunity to succeed then meaningful change can happen.

Thank you to everyone who supports The Light House and helps make opportunities like these possible. Your generosity is making a noticeable and lasting impact on the lives of the people we serve. We look forward to celebrating many more milestones with Makaila as she continues growing!

Come join us in God's work.

There are many ways to make a meaningful difference. We welcome caring individuals who are willing to serve as volunteers and mentors, offering their time, prayers, support, and resources. Your involvement can change a life for years to come.
